Total fixed asset sum as per annual return		158,841		161,183	

[^] Cost - purchase cost & installation - as advised by the suppliers of the new bus shelter, Littlethorpe of Leicester.

The new South Road bus shelter was purchased and installed by a developer as part of the S106 Agreement for Shepherds Close, with ownership being passed to the Parish Council upon completion.

2013/14 existing play equipment was transferred to the Parish Council to coincide with purchasing of additional equipment so that the management of the whole lot would be undertaken by the PC.

Street Lights

The Council has 69 lights, all of different types (some afixed to another post, some on purpose built lighting columns, some concrete columns, some more modern metal ones) purchased at different times, so these are included on the asset register at the nominal value of $\pounds 1$ each in order to reflect their existence. The Council's street lights are not insured, since it has considered the risk associated with this and concluded it would not be cost effective to insure the lights annually, given the lack of incidents associated with them.

Village Gateways

During 2015/16, ownership of the three sets of village gateways installed by East Sussex County Council as a part of the speed reduction scheme through Wivelsfield Green, was transferred to the Parish Council. As per the Guidance in Local Governance & Accountability, these have been valued at £1 in the accounts.

^{*}Insurance values as per renewal notice dated December 2011, (last insurance value before rule change requiring all assets - as of 2011/12 financial year - to have fixed values during lifetime of the asset, with the only change to values on the asset register being through additions or deletions).

[~] Cost of gateways as paid for by ESCC Highways, but transferred to PC ownership during latter part of 2015
